*These estimates are based on a full-time new student who enrolls in 15 credit hours per fall/spring semester. All costs are subject to change by action of the SIU Board of Trustees.
SALUKIS ABROAD OR STUDY ABROAD PROGRAMS

Study abroad. Research abroad. Intern abroad. These are all possibilities for SIU students, and your SIU scholarships may apply! We offer opportunities in more than 40 countries, with options ranging from two weeks up to an academic year. There are options ranging from short-term Global Seminars led by SIU faculty to exchanges with partner universities and opportunities to conduct undergraduate research at top European universities.

International experience sharpens your communication and intercultural skills as well as deepening knowledge in your major. The credits can transfer back in a variety of ways. Every student can include at least a short-term program into their degree without delaying graduation.

STUDENTS:
13,461 undergraduates from nearly every state and more than 100 countries worldwide.
32% of undergraduates are minority students.
4,485 graduate students are working toward their master’s, Ph.D., law or medical degrees.

More than 400 registered student organizations offer opportunities for involvement, leadership and development, and experiential learning.

The UNIVERSITY HONORS PROGRAM (UHP) uniquely rewards high-achieving students, seeking to enhance and enrich their university experience. The heart of the UHP is composed of engaging seminar classes of 15 students. These classes are specially created by outstanding faculty and constitute a small liberal arts college experience within a comprehensive research university environment – the best of both worlds!

Benefits of being an honors student:

- Honors seminar classes may be substituted for lecture hall core curriculum requirements
- Courses of high interest in academic major may be honors contracted
- Early registration for full academic schedule every semester
- Streamlined access to campus research scholarships and national competitive scholarships
- Extended checkout privileges at Morris Library
- Building friendships in two dynamic Living Learning Communities, third largest on campus

Applications and more information are available on our website: honors.siu.edu – please visit us in Morris Library, first floor, at the Thompson Woods entrance!

SIU CARBONDALE INVESTS MORE THAN $25 MILLION IN OUR GRANT AND SCHOLARSHIP PROGRAMS EACH YEAR.
ACADEMICS:
Students have access to more than 200 programs – one of the two most diverse academic program selections in Illinois.
9 colleges.
2 professional schools: Law and Medicine.

SIZE:
86% of the undergraduate courses offered by SIU have fewer than 30 students.
62% of classes have 19 or fewer students.
The student-to-faculty ratio is 15-to-1.

SCHOLARSHIPS:
SIU Carbondale has more than 700 scholarship opportunities available.
More than 2,500 incoming students are awarded scholarships each year through the Academic Scholarship Office.
More than 85% of students receive some form of financial aid.

15 Phi Theta Kappa Scholarship is awarded
ON-CAMPUS LIVING

Learning happens in all areas of campus, including the residence halls. Living Learning Communities (LLCs) encourage the personal development and academic success of our residents. These LLCs offer students the chance to live with other students who share the same major or majors within the same college, or with whom they have something in common. LLCs give students the opportunity to meet and interact with other students, as well as faculty and staff.

In addition to LLCs, on-campus living also allows access to more than 2,000 programs each year and to leadership opportunities with registered student organizations.

Learn more about living on campus and important contract dates at housing.siu.edu.
