WELCOME, SCHOLARSHIP CANDIDATE!

We are pleased and excited to welcome you to SIU Carbondale for a truly memorable weekend.

We have planned a full schedule of activities designed to engage you in the SIU experience. You can participate in a sample class, learn about academic and campus life, and tour our state-of-the-art facilities. You will also have the opportunity to meet with current students – including Chancellor’s and University Excellence Scholars – as well as members of our stellar faculty and staff.

SIU students succeed because of their abilities, their initiative, and the mentoring of dedicated faculty and staff who are committed to your success. Students tell us we stand out because we offer an immersive Honors Program experience and undergraduate research and creative opportunities as early as the freshman year. These experiences, combined with service and internship opportunities that build on a solid academic foundation, are vital to career success.

In addition to outstanding academic programs, our students enjoy a rich life outside of the classroom. They take advantage of opportunities in the arts, recreational and competitive sports, more than 275 registered student organizations and so much more. Whatever your interests, you can cultivate them at SIU.

We know that selecting a university is a big decision. It may come down to big versus small, professors versus mentors, academic reputation versus student support, brains versus heart. At SIU, we don’t make you choose because we’re a Tier 1 national research university with the heart of a small college.

Thank you for joining us!
Throughout the weekend, our goal is to offer you as many opportunities as possible to get to know us.

In addition to your interview, you can participate in a number of structured and unstructured activities. All events and on-your-own opportunities are optional, but we encourage you to participate in as many as possible so you get to know SIU and everything we offer. Families and guests are welcome to participate in all activities except the scholarship interview.

The schedules for Friday and Saturday are included below so you can plan your activities around your assigned interview time. Additional details about the tour schedules, interactive classrooms, research exhibit, interest sessions and campus life expo follow. You can create your own Saturday schedule using the form provided on page 10. We look forward to getting to know you!

INTERVIEWS

Interviews will take place in the Student Center at your assigned time on either Friday or Saturday. Please report to the Old Main Lounge on the second floor 30 minutes before your interview time for an escort to your interview room.

See maps beginning on page 11 for additional details. Please note that family members may not accompany students to the interview areas.

Good luck to all of our scholar candidates!

ACTIVITIES

In addition to your interview, you may choose from a number of optional activities that will allow you to ask questions and learn more about what it’s like to be a Saluki. Take a few minutes to explore your options and then personalize your schedule by filling out the “Create My Schedule” sheet on pages 9 and 10.

Options when you’re not in your interview include:

• Campus tours
• Housing tours
• Connect with your college
• Insight sessions
• Campus expo
• Research Exhibit: “Salukis Innovate”
• Moonbuggy display
• Rec Center tours

Learn more about each opportunity on the following pages.

CONNECT WITH YOUR COLLEGE

Your planned area of study or major will define your academic home on campus: your college. Come meet faculty and students, tour facilities, ask questions and get to know your future college at SIU. Please first check in at the Student Center’s International Lounge. Then proceed to the art gallery on the first floor and find the appropriate college. You will then be escorted to the appropriate college, so wear your walking shoes. The showcases will be held at each of the eight colleges from 3:30 to 5 p.m. on Friday.

TOURS

Campus Tours
Take a bus or walking tour of SIU’s beautiful campus. Friday tours will leave from the Admissions Office at the Student Services Building. Saturday tours will leave from the TV lounge in the Student Center. See below for tour times.

Rec Center Tours and Facilities
Come tour our student recreation center any time throughout your visit on Friday or Saturday. Simply show your name tag from the event and our staff will gladly show you around. Or you may use our facilities for free during your visit. Remember to take your name tag!

ARE YOU AN SIU ALUM? BE SURE TO STOP BY THE SIU ALUMNI ASSOCIATION TABLE AT THE CAMPUS EXPO ON SATURDAY.

Parents - curious what other activities are available for you in the Carbondale area when you come to visit your student? Learn more about our Carbondale community. Visit our Carbondale Chamber table in the Roman Room on Saturday.
INSIGHT SESSIONS

Interested in hearing from current students? Would you like to learn more about student life or what it’s like to be a Chancellor’s Scholar? Participate in one or all of the following 30-minute interest sessions, all taking place in the Student Center Auditorium.

The Chancellor’s Scholar Experience
(Saturday, 10 a.m. and 1 p.m.)
SIU’s Chancellor’s Scholar Program is much more than a scholarship. Our Chancellor’s Scholars have access to an array of specialized academic and career opportunities. Come learn about study-abroad assistance, early research opportunities, specialized faculty mentoring, cultural enrichment events, externship opportunities, leadership training and more.

What Can I Do When I’m Not Studying?
(Saturday, 10:30 a.m. and 1:30 p.m.)
We know you’ll study. But just in case you need to take a break, there’s a lot to do at SIU. Interested in Greek life? The arts? Sports, recreation and fitness? One of our more than 275 student organizations? Come learn about the many opportunities you have to engage in SIU’s rich student life.

Student Perspective Panel
(Saturday, 11 a.m., 2 p.m.)
Wonder what to expect as a student? Hear from current students about their SIU experiences. Bring your questions to this interactive session!

RESEARCH EXHIBIT: ‘SALUKIS INNOVATE’

One advantage of attending a comprehensive research university such as SIUC is the opportunity to participate in research, working one-on-one with faculty and graduate students. “Research” may be conducted in any discipline, from science to the arts; we define it broadly as inquiry, discovery, and creation of new knowledge and new perspectives about the world. SIUC offers research opportunities for undergraduates at all levels. Come visit the research exhibit “Salukis Innovate” from 10 a.m. to Noon on Saturday in the Corker Lounge. Many of our scholars’ work will be exhibited during this event. You will also get the opportunity to meet faculty and staff from our many areas of research at the Institution and hear more about what our students and professors are experiencing and accomplishing through undergraduate research.

CAMPUS EXPO

On Saturday, visit the Student Center Art Gallery and Roman Room on the first floor to learn more about our campus services at SIU, and get acquainted with your college of choice. You’ll also have the opportunity to speak with representatives from some of our more than 275 registered student organizations. Bring your questions!
